

Dean's Faculty Advisory Committee Annual Report, 2018

The Dean's Faculty Advisory Committee met in March to reorganize and discuss faculty concerns and issues. Following recent successes in helping to extend University voting privileges to NT faculty and lobbying for the opportunity for faculty representation on 3 BUMC-T committees (Finance, Operations and Communications), the committee has decided to focus on research issues such as contracting and human subject studies issues. The committee meets on a regular basis with Senior Leadership to discuss these and other faculty concerns and issues.

Committee Purpose: A Dean's Faculty Advisory Committee will advise the Dean on matters related to the mission of the college or that are of interest to the Faculty.
