Semi-Annual Report to the Faculty AY 2019-2020 July-December 2019 Chair: Zoe Cohen, PhD Vice-Chair: Jordana Smith. MD

Activities of the Tucson EPC (TEPC) during the period July – December 2019 are described below, arranged in general categories.

#### 1. Membership

The members of the TEPC (July – December 2019) are listed below.

| Member name                    | Department                     | End of Term |
|--------------------------------|--------------------------------|-------------|
| Anthony McCoy                  | Medical Student, Class of 2023 | 2023        |
| Bryan Little (secondary)       | Medical Student, Class of 2022 | 2022        |
| Colleen Cagno                  | Family & Community Medicine    | 2022        |
| David Bear, MD                 | Cellular & Molecular Medicine  | 2022        |
| Dawn K. Coletta, PhD           | Medicine                       | 2022        |
| Dieter Mohty (secondary)       | Medical Student, Class of 2023 | 2023        |
| Efreim Joseph Morales          | Medical Student, Class of 2022 | 2022        |
| Indu Partha                    | Medical Imaging                | 2022        |
| Jennifer Plitt, MD             | Emergency Medicine             | 2022        |
| Jim Warneke, MD                | Surgery                        | 2022        |
| Jordana Smith, MD (Vice Chair) | Ophthalmology                  | 2021        |
| Josh Yell                      | Medical Student, Class of 2021 | 2021        |
| Julie Armin, PhD               | Family & Community Medicine    | 2020        |
| Lindsey Lepoidevin             | Medical Student, Class of 2020 | 2020        |
| Maddy Banergee (secondary)     | Medical Student, Class of 2021 | 2021        |
| Maria Czuzak, PhD              | Cellular & Molecular Medicine  | 2020        |
| Marion Henry, MD               | Surgery                        | 2021        |
| Muhammad Khan, MD, MPH         | Neurology                      | 2021        |
| Patricia Lebensohn, MD         | Family & Community Medicine    | 2021        |
| Zoe Cohen, PhD (Current Chair) | Physiology                     | 2022        |

#### **Resources & Support**

Ah Ra Cho, PhD (Director, Program Evaluation)

Alex Lopez (Specialist, Quality Assurance)

Athena Ganchorre, PhD, (Executive Director of Curriculum and Integrated Learning)

Carlos Gonzales, MD, FAAFP (Assistant Dean for Curricular Affairs)

Emily Leyva, (Assistant Director, Clinical Curriculum)

George Fantry, MD (Associate Dean for Student Affairs and Admissions)

JD Thomas, PhD (Manager, Assessment and Evaluation)

Jerie Schulz (Administrative Associate, Curricular Affairs)

Kadian McIntosh, PhD (Director, Research and Analytics)

Karen Spear Ellinwood, PhD (Director, Faculty Instructional Development)

Kevin Moynahan, MD (Deputy Dean for Education)

Kris Slaney (Director, Student Records)

Raquel Givens, MEd (Director, LCME Accreditation)

Sean Elliott, MD (Interim Associate Dean for Curricular Affairs)

Sonia de Leon, MEd (Assistant Director, Pre-Clinical Curriculum)

Tanisha Price-Johnson, PhD (Executive Director, Admissions)

Winifred Blumenkron (Director, Applications and Project Management)

## Semi-Annual Report of the Tucson Educational Policy Committee (TEPC)

#### 2. Curriculum Governance Activities

| Date               | Topic   | Individual            | Activity   | Discussion   |
|--------------------|---|-----------------------|--|--|
| July 17,<br>2019   | Transition to Residency Bootcamp Elective (APPROVED BY VOTE)                  | Dr. Indu<br>Partha    | The new elective is for 4 <sup>th</sup> year medical students at the end of their medical school career, offered March 2-13, 2020. The proposal consists of a two-week, credit bearing elective featuring specialty specific course material in Internal Medicine, Family Medicine, Emergency Medicine, Pediatrics, and General Surgery.   | OB/GYN is included in Family Medicine and Emergency Medicine. Dr. Lebensohn asked that the <i>Prevention &amp; Wellness</i> elective be included. The proposal was also presented and approved by the Elective Subcommittee. |
| August 7,<br>2019  | Pediatric<br>Emergency<br>Medicine<br>Elective - EMD<br>(APPROVED BY<br>VOTE) | Dr. Hans<br>Bradshaw  | The new elective will provide students with intensive acute pediatric patient care experiences with Emergency Department faculty and residents. Completion of all clinical shifts in the rotation will be mandatory. Grades will be based on attendance, clinical shifts performance, and final exam score, and will use Honors, High Pass, Pass and Fail (H/HP/P/F).  | There is no prerequisite for the elective.   |
| August 7,<br>2019  | Emergency Medicine Course Updates – EMD 840 (APPROVED BY VOTE)                | Dr. Hans<br>Bradshaw  | The new elective titled Advanced Resuscitation & Emergency Management will provide an intensive, intern-like patient care experience to students in the emergency department.  Students will have five shifts with senior residents, five shifts with the resuscitation residents (10-hour shifts where students respond to coding patients, intubations, and sedations), 5 shifts with faculty, and one ultrasound shift. Grades will be based on attendance, clinical shifts performance, and final exam score, and will use H/HP/P/F. |  |
| August 7,<br>2019  | Emergency Medicine Course Updates – EMD 845 (APPROVED BY VOTE)                | Dr. Hans<br>Bradshaw  | The new elective titled Integrated Emergency Medicine & Critical Care will give students an overview of the principles and concepts of the Emergency Medicine specialty and the intensive care unit. It will modernize the current emergency medicine/critical care rotation, and include one day of lecture featuring a simulation and ultrasound expert, and nine on-line videos. Grades will be based on attendance, clinical shifts, performance, ICU workbook, and NBME Shelf Exam score, and will use H/HP/P/F.                    | This proposal will streamline the current EMD 845 elective.  |
| August 21,<br>2019 | Enrichment Elective (APPROVED BY VOTE)  | Student<br>Shrey Goel | This new enrichment elective, titled <i>Love Thy Brother</i> , previously approved by the Electives Subcommittee, is a men's anti-sexual violence training program open to all medical students.   | It is non-credit bearing with evaluation built in. Mrs. Givens suggested writing a Continuous Quality Improvement project plan.  |
| August 21,<br>2019 | Revising TEPC<br>Subcommittees  | Dr. Ah Ra<br>Cho      | The following revisions were proposed to TEPC Subcommittees:  1. Tucson Evaluation Subcommittee (TEVS) — proposed identifying the chair as the Dir. of Program Evaluation & Student Assessment, 5 Faculty, 4 Medical Students (one from each class), and Support Members  2. Exam Review Subcommittee (ERS) — proposed   |  |

|                       |   |                                     | identifying the chair as the Mgr. of Assessment and Evaluation 3. Policy Revision Taskforce - proposed changing the group from a Taskforce to a Subcommittee; identifying the chair as the Dir. of Program Evaluation & Student Assessment, and members  |   |
|-----------------------|---|-------------------------------------|--|---|
| September<br>4, 2019  | Surgery<br>Residency<br>BootCamp<br>(APPROVED BY<br>VOTE)                   | Dr. Marion<br>Henry                 | This new elective gives 4 <sup>th</sup> year students going in to general or subspecialty surgery the opportunity to focus on application of knowledge and skills. Grading will be Pass/Fail based on a lecture materials final exam, practical skills set exam, evaluation of OSCE exam, and attendance and class participation.  | It is an elective for two years, and will then become mandatory.  |
| September<br>4, 2019  | UPDATE:<br>Revising TEPC<br>Subcommittees<br>(APPROVED BY<br>VOTE)          | Dr. Ah Ra<br>Cho                    | Changes in the composition of leadership, membership and status of TEPC Subcommittees were readdressed including:  1. Tucson Evaluation Subcommittee (TEVS) — new chair, member changes  2. Exam Review Subcommittee (ERS) — chair becomes Mgr. of Assessment and Evaluation  3. Policy Revision Taskforce — to become a new TEPC subcommittee, essential to modified curriculum |   |
| September<br>18, 2019 | Format of<br>Monthly TCMS<br>Meetings                                       | Sonia de<br>Leon                    | The second TCMS meeting of each month will become a Working Meeting. Each monthly meeting will focus on a specific topic for TCMS members to address and discuss.  | It is an open meeting, and all are invited to attend.   |
| September<br>18, 2019 | Integrative Medicine Distinction Track Capstone Elective (APPROVED BY VOTE) | Dr. James<br>Warneke                | The proposal adds a Capstone course to the Integrative Medicine Distinction Track for tracking purposes. This proposal has gone through the Electives Subcommittee.  |   |
| Oct. 16,<br>2019      | Dual MD-MBA<br>Combined<br>Program MOA<br>(APPROVED BY<br>VOTE)             | Dr.<br>Tanisha<br>Price-<br>Johnson | This five-year program, created between the College of Medicine and Eller College of Management, outlines the degree and tuition requirements. Students will step out of COM after successfully completing Step 1, take the MBA courses, and then return to the COM to finish their medical degree.  | To qualify, one must be a UofA medical student, obtain letters of reference for Eller, and take the GMAT. Second year students who successfully complete Step 1 and meets the academic requirements can also apply. |
| Oct. 16,<br>2019      | LGBTQ+<br>Clinical Health<br>Elective<br>(APPROVED BY<br>VOTE)              | Dr.<br>Patricia<br>Lebensohn        | This two-week clinical rotational elective will have students go to providers, including El Rio and VA, to provide services to LGBTQ+ patients. Students will get additional learning materials and online modules relevant to educating and treating the LGBTQ+ community. It is hoped the elective will start after January 2020.  | -   |

# 5. Continuous Quality Improvement Plans (CQI)

| Date               | Topic   | Individual       | Activity  | Discussion  |
|--------------------|---|------------------|---|---|
| August 21, 2019    | Pilot: Improve learning in required sessions taught in the Preclerkship Phase     | Raquel<br>Givens | The purpose is to address low student attendance at non-required Block sessions. It will run July 29-Sept. 6, 2019. Students perceive that the sessions are not useful, which could be due to the low interactivity/engagement of the sessions content at a higher order cognitive level. A 2-question poll will be administered to students at the end of each session via ExamSoft to track attendance and capture feedback.  Qualtrics will capture block directors' feedback and notes about the level of student engagement. All student feedback will be reviewed in real time to assist in making informed changes. An aggregate data report from ExamSoft and Qualtrics will be presented to TCMS and TEPC as part of the Level 1 report for the block. | It was suggested to  use questions related to session activity, rather than yes/no.  add a comment box for student feedback.  add a disclaimer that responses count toward attendance.  make flipped sessions consistent/ standardized among blocks.  review how content from outside sources compares to in-class sessions.  move classes to afternoons so students can study for Step 1 in the morning. |
| August 21,<br>2019 | Student<br>Awareness &<br>Revamped<br>COM-T Mental<br>Health/Wellness<br>Services | Raquel<br>Givens | The purpose of the CQI is to improve student awareness of revamped mental health services available to them. It will run June 2019-Spring 2020. A Doctor & Patient course evaluation revealed that only 28% of the Class of 2020 was aware of current mental health services. Alison Sutton-Ryan, Director of Mental Health Services, is implementing a multi-faceted student public awareness campaign (website, flyers, presentations, events).   | Based on all data collected and analyzed, new areas for improvement will be addressed as needed. The Student Awareness Plan will be reviewed annually in May/June.  Peer Support should be included as a primary source of the communications campaign to increase awareness.   |

|                      |  |                  | Progress in student awareness will be monitored annually for two years for:  a. In-house student evaluations (MedLearn – in May)  b. Biennial Independent Student Analysis (ISA) (using Qualtrics – in May); report in 2020  c. AMERI Learning Environment (2019)  d. AAMC GQ (annual)  e. RedCap (HIPPA-compliant, student utility data - in August)  |  |
|----------------------|--|------------------|--|--|
| August 21, 2019      | CQI System for<br>Road to<br>Accreditation<br>2022   | Raquel<br>Givens | COM is using the required CQI system to identify and correct areas that have gaps in compliance in preparation for the LCME visit in 2022. The four-phase process includes:  • Phase 1 – Data Collection Instrument (DCI)  • Phase 2 – CQI Projects - To address GAPS in compliance  • Phase 3 – Self-Study  • Phase 4 – Survey Visit Prep TEPC will:  • Review and approve CQI projects  • Continue oversight of Modified Curriculum roll-out; approve courses; revisit graduation requirements  • Revisit/approve revisions to content selection, coordination, sequencing in Preclerkship, Clerkship and Transition to Residency phases; review legacy and modified curriculum outcomes; review overlap  • Revisit TEPC subcommittee membership, structure; Policy Task Force |  |
| September<br>4, 2019 | UPDATE of Pilot: Improve Learning in Required Sessions Taught in the Preclerkship Phase (APPROVED BY VOTE) | Raquel<br>Givens | A recap of the proposal was presented. Piloted in Foundations, this CQI addresses low student attendance at non-required Block Sessions by administering a 2-question poll at the end of each session. Data on attendance and feedback will be compiled and reported.  |  |
| September<br>4, 2019 | UPDATE of Student Awareness & Revamped COM-T Mental Health/Wellness Services (APPROVED BY VOTE)            | Raquel<br>Givens | A recap of the proposal was presented. There has been a decrease in student awareness about mental health services offered at the COM. The new Director of Mental Health Services (Alison Sutton-Ryan) is implementing a communications campaign to alert students of all services available to them. Data will be collected and reported on.  |  |

### 6. Other

|                   | Academic Calendars with Financial Aid Revisions Proposal (APPROVED BY VOTE) |                    | payment periods and student disbursements, it was proposed to adjust where fall and spring semesters end (starting with Spring 2020) to make them equal. These changes will not affect students.   | AAMC has petitioned the DOE for regulatory relief, but has not received a response. Student Affairs will notify students when disbursements will take place. Students with hardship can apply for Temporary Loan.       |
|-------------------|---|--------------------|--|---|
| August 7,<br>2019 | Basic Sciences Departments Curriculum Concerns                              | Dr. Jean<br>Wilson | Dr. Wilson presented concerns the Basic Sciences department has including engagement of first and second year students (attendance at lectures, participation in anatomy labs). They would like the following changes implemented in a measured way:  • Promotion communication  • Integrate basic sciences in Years 3 & 4  • More paring of basic sciences with clinical faculty in lecture halls and CRC | Discussion about adding honors to Pass/Fail occurred, with Dr. Wilson citing it provided immediate feedback. Dr. Moynahan and Dr. Elliott asked that the topic of H/P/F be tabled pending conversation at a later date. |
